

Gifts of Life Insurance

Donating a paid-up, existing or new life insurance policy by naming Grandview Children's Foundation as the direct beneficiary and/or the owner

A Gift of Life Insurance is a creative way to make a significant gift to the Grandview Children's Foundation at a minimal cost. Modest premium payments today can create a substantial future donation to Grandview Children's Foundation.

There are many ways to make a Gift of Life Insurance:

- By naming Grandview Children's Foundation as the owner and beneficiary, you can donate a paid-up life insurance policy and receive an immediate tax receipt for the fair market value of the policy.
- By transferring ownership to Grandview Children's Foundation of an existing policy on which premiums are still being paid, you will receive an immediate tax receipt for the fair market value of the policy and also for all future premium payments you make.
- By purchasing a new life insurance policy and naming Grandview Children's Foundation as the owner and beneficiary, you can receive tax receipts for all future premium payments you make.
- By naming Grandview Children's Foundation as the direct beneficiary, you can choose to retain ownership of your policy and, upon death, your estate will receive a tax receipt for the amount of the proceeds.
